

2018 Multi-Family Natural Gas Dryer Rebate

Metropolitan Utilities District has implemented a natural gas program for developers of multi-family projects that will pay **\$100** for each natural gas dryer installed in individual tenant apartments.

Program requirements:

- This rebate form must be received with a gas service application.
- Rebate applies to new construction, multi-family buildings.
- Rebate will be provided after gas meter(s) are set and verification that gas dryers are installed.

Funds are available on a first come, first serve basis. M.U.D. reserves the right to verify equipment.
